1. What is your connection or interest in this case? * For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)

We are customers of Duke Energy in Indian Land SC
2011-271E

2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

Our power bill is high enough and in this time of high unemployment and unsecure jobs, we are strongly opposed to any rate increase by Duke Energy. They collect enough money from us and if they need more money then let the corporate officials take a cut in their salary as I'm sure they are not hurting financially.

3. Do you wish to make an appearance at a hearing in this proceeding, if scheduled, and offer sworn testimony? *
(This section should be completed.)

No, unable to attend.
